CAPT. R. N. COLE.

PRESIDENT MCKINLEY will visit the
Centennial at Nashville, on Ohio Day,
June 12th.

BUFFALO, N. Y., furnishes a tip to
bicycle riders. Eighteen scorchers
were recently arrested in that city in
two hours.

HON. W. M. HAHN is well in line for
the office of Superintendent of District
Charities, at Washington, a position
that pays \$3,000 a year.

At Springfield, the home of Governor
Bushnell, the Republican county
convention adopted a resolution endorsing
M. A. Hanna for Senator.

DURING the seventeen days armistice
just declared, "The Powers" will probably
have time enough to gobble a
good slice of Turkey and a spoonful of
Greece.

THE Morgan resolution recognizing
the belligerency of the Cuban insurgents
passed the Senate by an over-
whelming vote, but its fate in the
House can not be predicted.

BON FRIZIMON called on Secretary
of State Sherman a day or two ago, but
the august and severe manner of the
great Secretary was a heart blow to the
puglist, and he left without making
much of an impression.

AND now another crank, this time an
inmate of a Soldiers' Home in California,
comes forward with a statement in-
tended to save the neck of murderer
Theodore Durrant. He says he saw a
preacher named Gibson carrying the
dead body of Blanche Lamont through
the church where it was found.

LAST evening a gentleman going
from Wooster to Front street counted
eleven bicycles with lanterns and
forty-one without. This is a sad com-
mentary on the ordinance which pro-
vides a penalty for riding at night
without a signal light and under which
several prosecutions have been made.
Riding after dark without a lantern is
a dangerous practice and should not
be allowed to continue.

A MONSTER PICNIC.

Three Thousand Men, Women and Chil-
dren at Bartlett's Grove.

Despite the chilly threatening
weather of Friday morning the first
picnic train out over the Z. & O. R. was
loaded to its fullest capacity with
people bound for Bartlett's Grove to
attend the public school picnic. A
train was running every hour and all were
filled, the clearing weather of the late
forenoon inducing many to go who had
previously been discouraged. Ticket
Agent Payne at the Union Depot in-
forms us that at least 3,000 men, women
and children were transported to the
picnic grounds during the day.

The occasion was hugely enjoyed by
both old and young and not an acci-
dent occurred to mar its pleasure.

Died.

Calvin Cain died May 15th, with hem-
orrhage of the stomach. Calvin was a
kind and loving husband, a good citizen
and a very good neighbor, kind to
everyone.

God in His wisdom hath recalled
The soul His love hath given.
And though the body mourns here,
The soul is safe in Heaven.

Oh, God, how mysterious and how strange are
thy ways,
To take from us this loved one in the best
of his days.

TEN TO NINE.

Marietta Suffers Her Fourth Defeat at the
Hands of Cambridge.

The second game of the Cambridge
series this week resulted in another de-
feat for Marietta and the fans are cor-
respondingly chagrined. The Mari-
ettas made more hits and less errors
than their opponents, but from lack of
team work or some other cause were
unable to win.

Following is the score:

Marietta	9	9	6
Cambridge	10	8	7

Batteries—Smith and Stricker; Bel-
den and Lighton.
The feeling seems to be quite gen-
eral among the patrons of the sport
here that there is a demoralizing ele-
ment at work some where in the team.
This unknown quantity is commonly
denominated a knocker. There may or
may not be any foundation for the sus-
picion, but if there should be found to
be any such state of affairs existing
the player or players responsible should
not be retained on the nine for an in-
stant.

The most reasonable excuse for the
series of defeats is that the team is in
hard luck and unable to settle down.
With possibly one exception, Marietta
has had certain victory in her grasp in
every game, but has lost her grip in
the finish in some unaccountable man-
ner.

Pitcher Frank Smith leaves this
morning to join the team at Cam-
bridge.

Barry & Co., Caldwell, drilled in a
good well on the William Gessel farm
on Big Run. This opens a new pool.
Many wells will be drilled in that vi-
cinity before long.

The well on Rothley, drilled by
Keever & Dyer, is making about forty
barrels.

Wiper, Haddock & Co. are building a
rig on the Corp farm, just across the
road from the Rothley well.

Mrs. A. W. Wiper is quite poorly, and
has been for several days. Her son,
Jacob, of Columbus, came home Thurs-
day night to see her.

Mrs. Seaberry visited Mrs. B. F. At-
kinson, of Caldwell, last Tuesday and
Wednesday.

Mr. Jordan, of South Olive, was here
last Friday on business.

Wiley Welch is home after a fort-
night's visit with relatives in Morgan
county.

There will be a picnic at Shaffer's on
the second Saturday in June.

cinity and wheat and grass are looking
well. There will be some small fruit.
Miss Flora Seaberry is teaching
school this week for her sister Clara,
who is on the sick list.

The new broom is still sweeping.
Our streets and alleys are being
cleaned up. Let the council put in
crossings and then see that the prop-
erty owner repairs his walk.

Rev. Wm. Stout, of Warton, Ont., was
completely cured of scrofula after
seventeen physicians had failed to give
him relief. Burdock Blood Bitters did
it.

For bronchitis, asthma or kindred
troubles of the throat or lungs, take
Dr. Wood's Norway Pine Syrup, a
household specific for all these com-
plaints.

No need to fear the approach of
croup if you have Dr. Thomas' Elec-
tric Oil in the house. Never was a
case that it wouldn't cure if used at
the outset.

BUCKEYE NEWS.

New and Interesting Happenings Within
Our Borders.

A MAN HUNT.

Fleet-Footed Youth Will Allow Himself
to Be Chased by Bloodhounds.

COLUMBUS, O., May 21.—Recently it
was published that a Mr. Darnell, of
Grove City, who is the owner of two
very fine bloodhound puppies, was go-
ing to have a genuine man hunt down
there to show what the dogs could do.

The puppies are too young as yet to
make a long run, but it seems that
their owner will have no trouble in
getting a human subject to put upon
the trail, as the following letter will
show:

"Mr. Darnell, Grove City Ohio: I was
reading where you were going to have
a genuine man hunt as I am tolerably
fleet on feet I would like to be the
man to try to bafle the dogs if you
haven't got your man write and tell
me and set the time and I will be there
yours respectfully Freddie Myers Kious-
ville Ohio."

Fleet Foot Fred will lead the Cross
Country club's hunt of Grove City, as

of the supreme court in the Torrens

an early decision.

in favor of the defendant. In a pre-

vor of the plaintiff.

Warden L. T. Nest, of the Frankfort
penitentiary, Friday morning ten-
dered his resignation to the board of
sinking fund commissioners in the
hope of securing a prospective federal
appointment. Nest was an applicant
for surveyor of port at Louisville, but
will not get this. He has been ten-
dered the position of chief deputy un-
der Barnett, who is regarded as a sure
winner. The applicants to succeed
Nest are: M. J. Kearns, Lebanon; A.
D. Patterson, Columbia, Adair county;
C. E. Jasper, Somerset, and W. E. Ray,
Lancaster.

A Mosquito Bite an Accident.

FRANKFORT, Ky., May 21.—The court
of appeals in the case of Sallie Orberg
vs. the United States Mutual associa-
tion decided that the lower court was
wrong, and that she was entitled to
\$5,000, the amount of an accident pol-
icy carried by her husband, who died
as the result of a mosquito bite, the
court holding the latter to be an "acci-
dent in the meaning of the law."

"AUNTIE DOCTOR."

She Gave Up "Princess" to Become a
Plain "Mrs."

It was recently reported by cable
that Prof. Dr. von Esmarch and his
wife had celebrated their silver wed-
ding. Before she married the doctor
plain Mrs. von Esmarch was Princess
Henrietta von Schleswig-Holstein-Son-
derburg-Augustenburg. The present
empress of Germany comes from the
same family as is her niece, Dr. Von
Esmarch had for 43 years past been
director of the surgical clinic of the
Kiel university, and his prominence in
the scientific world is explained by the
fact that he is one of the most suc-
cessful surgeons of Germany to-day.
In his clinical department alone he has
performed more than 20,000 operations,
which do not include his beneficent lab-
ors as consulting surgeon and chief
of the military hospitals at Berlin dur-
ing the wars of 1866 and 1870-71. His
immense popularity throughout Ger-
many is not only due to his ability as
a surgeon, but to his thoroughly or-
ganizing the Society of the Red Cross
in Germany.

Although 74 years old, he is phys-
ically in perfect health, and his almost
youthful elasticity is quite surprising.
He is a passionate hunter, and for sev-
eral weeks every summer goes into the
hunting reserves of the Bavarian fron-
tier hunting for chamois and other
mountain game.

As the wife of Prof. von Esmarch
Princess Henrietta has understood
most admirably how to maintain her
relations to the highest circles, and at
the same time to make for herself
an honored position among the friends
and associates of her husband at Kiel.
The empress of Germany calls her af-
fectionately "Auntie Doctor."

A Prisoner Commits Suicide.

WICHITA, Kas., May 21.—The sheriff
of Grant county, Oklahoma, arrested
Wesley Zelebok Tuesday night for
killing Joe Hazeck, whom he murdered
in a fit of jealousy. On the way to
town Zelebok died beside the sheriff in
great agony, confessing that he had
taken strychnine.

Ohio—Saturday generally fair; warmer;
brisk northerly winds becoming easterly.
